PROFILE

Second-year B.Com (Honours & Research) student and CFA Program Level I candidate targeting equity research and investment banking. Published 27 independent research models spanning equity valuation, M&A and macro, founded my university's Finance Society, and gained hands-on internship experience in research, financial analysis, and accounting.

EDUCATION

Amity University, Kolkata | *Bachelor of Commerce (Honours & Research)* 2025 – 2029 (Expected)

Focus: finance, accounting, investment analysis, and business research.

CFA Institute | *CFA Program — Level I Candidate* Target 2027

St. James' School, Kolkata | *Senior Secondary (Class XII)* 2025

RESEARCH & INDEPENDENT PROJECTS

- Cover 20+ Indian and US large caps across IT services, banking & financials, consumer, autos, pharma, industrials and big tech, each with a published valuation model and research note (DCF / excess-return, WACC derivation, sensitivity analysis); full coverage list on my Portfolio.
- Maintain a valuation-led rating on every name (BUY / ACCUMULATE / HOLD / REDUCE), with most of the coverage rated HOLD or REDUCE.
- Extended beyond single-stock coverage with two M&A deal models (HDFC Ltd into HDFC Bank; Sun Pharma / Organon) and two macro models (Q4 2026 "A 5% World" report; India import dependency).
- Built two self-updating market tools (refreshed daily via GitHub Actions): MarketPulse, a 15-index tracker with a Monte Carlo (GBM) simulator, and Meridian, a sentiment-adjusted DCF/multiples valuation across India, the US, the UK and Japan.

EXPERIENCE

Vireo Capital Research | *Student Equity Research Analyst* Jul 2026 – Present

- Publish long-form equity research on U.S.-listed large caps under the firm's masthead, pairing written notes with DCF, DDM and comparable-company valuation models.
- Initiated coverage of Coca-Cola (KO) with a DDM-led multi-method blend supporting a BUY (Vireo house view) at a ~$94 target, defending the perpetual-growth assumption across a stated sensitivity band.

Prasuta Capital (Prasuta Ventures Pvt. Ltd.) | *Finance Consultant Intern* Summer 2026

- Authored a 20-page research report on Prasuta Ventures' business verticals and public- and private-market operations, including its partnership with Motilal Oswal Financial Services.
- Trained on financial products (PMS, investment tools) and research frameworks; supported client outreach across retail and HNI segments.

Alpine Distilleries Pvt. Ltd. | *Finance & Accounts Intern* Jan – Feb 2026

- Maintained ledgers and recorded vouchers in TallyPrime, supporting month-end accuracy and reporting.
- Used Excel (lookups, pivot tables) to organise, reconcile, and analyse operational and accounting data.

Younity | *Business Development Intern* Nov 2025

- Supported client-outreach and business-development initiatives; commended by the Founder & CEO for work ethic.

LEADERSHIP & ACTIVITIES

Finance Society, Amity University | *Founder* 2026 – Present

- Founded and lead the university's finance club, building its charter, research agenda, and member onboarding from scratch.

St. James' School, Kolkata | *School Leadership* 2023 – 2025

- Director, Interact Club (Rotary International): led charitable initiatives including the Festival of Lights; contributed to the club's "Care of Especially Abled" recognition.
- Head of Internal Affairs, JACO Model United Nations (logistics and delegate coordination); Treasurer, JACO Corp annual business event (managed all event finances).

SKILLS & INTERESTS

Technical: Financial modelling, DCF valuation, equity research, financial statement & ratio analysis, forecasting.

Tools: Microsoft Excel (advanced — modelling, lookups, pivot tables), TallyPrime, JavaScript (basic); AI-assisted software development and rapid prototyping.

Languages & Interests: English, Hindi, Bengali; Football, Martial Arts (Tae Kwon Do).

CERTIFICATIONS

- Discounted Cash Flow (DCF) Modelling — Coursera (Jan 2026); Finance Certificate — SmartEd Innovations (STEM.org accredited; Skill India & NSDC recognised) (May 2026).
- National Financial Literacy Quiz 2026 (College Round) — NISM, a SEBI initiative.
- Forage job simulations (9 completed): Citi & J.P. Morgan (IB), Vista Equity Partners (PE), Fidelity International (IM), Goldman Sachs (Risk).
